PICK-UP AND DROP-OFF PROCEDURES

The doors of the theatre will open at 8:45am and class will start promptly at 9:00am.

On the morning of the first day, we ask that parents park in the neighborhood and come inside to meet the staff and complete any remaining paperwork. For all following drop-offs, parents may either park and walk their child to Lifeline, or just pull up in front of the driveway where they can sign their child in with one of our teacher's assistants. Our staff member will walk the kids inside one-by-one where they will be supervised in the lobby by another teacher's assistant until the camp day starts.

Pick-up will be the same; a staff member will wait outside to greet parents and call campers out as parents arrive to sign out for the day.

For security reasons, theater doors may be locked during class but will open promptly at 12:00pm when the morning session is over. We must ask that parents who pick up campers after 12:15pm, or need coverage before 8:45am please pay for an hour of before/after care (see below).

Please bring the enclosed emergency contact form to the first session, or send it back in advance to julie@lifelinetheatre.com.

LUNCHES FOR FULL DAY CAMP

☐ Sack lunch (Full-day camp)

Full-day campers eat lunch at the theatre and then walk with their teachers two blocks north to the Louis Goldberg Park on Greenleaf and Glenwood, for some free playtime before the afternoon session begins. We ask that campers bring their own lunch, or as a lunch option, we can provide a lunch from Urban Tables at a cost of \$70 for the full two weeks, or \$7/day. Ordering can also be done on a day-by-day basis from a menu featuring four choices. Please let us know if you want to arrange ordering lunch through us.

SICK DAYS

Please call us in the morning if your child is sick or has to miss part or all of a day; the best number is the box office at (773) 761-4477. It is fine to miss a day - it will not impact your child's participation in the final performance. However, we are not able to refund you for that day.

Frequently Asked Questions

What is the difference between the Drama Stars full-day and half-day camp? Do half-day campers still get to be involved in the play?

Everyone gets to be involved in the play whether they are part of Drama Stars half-day or full-day camp. Kids who stay for the afternoon take more leadership in the design components of the play (making costumes, props, set), and participate in more advanced theatre exercises based on their interest—it could be physical work, or writing, or scene work. One area we don't generally delve deeply into is singing and dancing, but everything else is possible!

Do the campers ever go outside?

We go outside with full-day campers to the Goldberg Park playground at Greenleaf and Glenwood after lunch.

If my child cannot attend the final performance, can they still participate in camp?

Yes, if your child cannot attend the final performance, he/she can participate as either a special designer, or assistant director, or stage manager, or other roles behind the scenes. Or, they can have a chorus role in the play with lines that someone else can take during the performance.

Does everyone get an equal part in the play? How are roles assigned?

Roles are assigned by the teacher based on age, interest, and reading ability, but everybody gets an equal part—we are an ensemble based company and we believe in ensemble work!

Do you offer any extended care before or after regular camp hours?

Lifeline offers pre-camp and post-camp childcare to parents who need some flexibility. Before camp, parents can arrange to drop off early, but no earlier than 8:00am. Campers whose programs normally end at 12 can stay one additional hour, until 1:00pm (note that this is lunchtime, so please send food with your child). Campers whose programs end at 3:00pm can arrange to stay for two additional hours until 5:00pm. For all extended care, the additional cost is \$7/per hour. Please let us know if you anticipate using the extended care option so we can staff accordingly. Once camp is underway, arrangements for extended care must be made in advance, with no less than two days' notice. One of our camp assistants will supervise extended care time with an activity box of games and books.

Where should I go if I would like to wait for my child during camp?

If you will be staying in the neighborhood during camp, we recommend The Common Cup (Morse and Greenview). For security reasons, theater doors may be locked during class but will open promptly at 12:00pm when the camp day is over. Parents are welcome to watch a little on the first day if it is right for your family.
