

Friends,

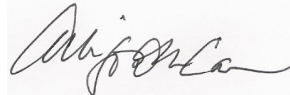

Given the city and state mandates, we are unfortunately unable to reopen the theatre at this time and rescheduling our productions of *Middle Passage*, *LOKI: The End of the World Tour*, *Neither*, and the *Gaudy Night* and *Busman's Honeymoon* concert readings remains uncertain. Also, we are currently putting a hold on our 2020/21 season subscription sales. All current subscribers and ticket holders have been contacted about their purchases. As soon as we have more clarity on what the season may look like, we will be reaching out to all of you with an update! In the meantime, know that we are actively exploring exciting and innovative ways to bring programming to all of you in the near future.

If you have any questions or need additional information, please contact the box office by calling **773-761-4477** or info@lifelinetheatre.com.

Thank you for your continued support of Lifeline Theatre, it truly means the world to us! Please continue to be safe; we look forward to seeing you at the theatre when we can safely gather once again.
