

## The 25<sup>th</sup> Annual Fillet of Solo Festival FAQ

- **How do I watch this year's Festival?**  
A Single Ticket gets you access to the Fest for the full 3 weeks - 24 hours a day, INCLUDING access to the LIVE storytelling workshop, panels, and events.
- **I just want to see my friend, how do I get a ticket just for their show?**  
A Single Ticket gives access to all 97 stories in the Fest. If you're looking to just watch one, or a couple, videos, we recommend contributing what you think is appropriate for a Single Ticket based on your intended viewership (they are Name Your Price).
- **How are you bringing the Fest to me virtually?**  
Once you've purchased your Single Ticket, your confirmation email (beginning Friday, January 21) will have information on how to access the Fillet of Solo website's full gallery of videos.
- **Do I get access to the LIVE events with the Single Ticket?**  
Yes, you do! This year's live virtual events are available to all ticket buyers. Registration for these events can be found on the Fillet of Solo website once you gain access from your ticket purchase.
- **How many storytellers are in the Fest?**  
This year, we have **78** different storytellers participating in the 25th anniversary Fest!

This year, while most are telling from the Chicagoland area, we also have storytellers telling from Los Angeles, New York, Virginia, Ohio, Florida, and Germany!

Unfortunately, due to the live nature of the events, we will not be providing recordings after the fact.
- **Are there time constraints on when -- or how often -- I can watch a show?**  
Absolutely not! All videos will be available to watch as many times as you'd like until the Fest closes at the end of the day (11:59PM CST) on Sunday, February 13.
